### Custom Height Chart Order Form

Unique height chart made from fabric with spaces to include 19 photos of your youngster as they grow. The chart is washable and the dates of your child's growth are marked directly on the fabric using a Pigma Fabric marker (included with the height chart) that will not come off when washed. The chart will mark the growth up to 6 feet 6 inches.

To order your own custom, handcrafted Height Chart, please fill out the form below and mail it to the address above along with payment. Please be sure to fill in all the information you want on the wall hanging. Include specific motifs (baby blocks, sports, dog, frog, cat, etc) you would like hand quilted along the left edge and top of the chart. If no suggestions are listed for motifs, I will put on a variety associated with either a boy or a girl.

Manufacturing time is 2-3 weeks depending on order backlog. Rush orders can be accommodated for an additional fee, schedule permitting. Please see below.

You may list a specific fabric you want such as a baby print, flowers, or a specific color, etc. Otherwise the designer will pick something appropriate. All height charts have unbleached muslin for the backing fabric. Please call or email if you have questions before submitting your order.
